## FIRST CHRISTIANS

### TIME SUBJECT

- 00:00 First Christians
- 01:29 Easter established long before there was a Christ
- 01:56 Easter celebrated on the same day as Passover
- 02:59 The Master's journey on Earth was for a very specific reason of teaching that there is no such thing as death
- 03:58 There is only infinite journey of soul
- 04:48 First Christians were simply Jewish reformers
- 06:16 How did Christianity begin?
- 11:16 First Christians saw themselves not as founders of a new religion, but rather reformers of Judaism
- 15:24 They did not pull away from the Old Testament, nor did they develop the Talmud
- 15:38 They practice a form of Christianity that today we would not recognize
- 16:56 Christian movement began the transformation of that Jewish sect to be a separate and distinct religion
- 17:49 The ones traveling and teaching were always at great odds with the Palestinian Jews
- 18:40 Stephen--the first Christian martyr
- 20:10 As Christianity spread, it was exposed to many different ideas and interpretations
- 23:22 With all the confusion of this late day Christian belief, Hatonn is denounced as satanic
- 24:39 You can only know Truth from that Godness which is within
- 25:26 The results would prove momentous in all time to come
- 25:36 It was the politicians who took the religion and turned it to their own purposes
- 27:00 Christ was a state of being
- 29:30 The Pharisees and Luciferian Sect

TIME SUBJECT

00:00 First Christians Continued  
01:37 All those letters sent to the churches were not from the Christ, they were from Paul, Saul of Tarsus

04:00 The term "Messiah"  
07:28 Christian message which encouragingly seemed to depart from Jewish law meant a lot of opposition  
08:36 Paul did not teach the teachings of Jesus, he taught his own - the doctrine of Paul  
11:20 Rapture is not so much as even mentioned in the Bible  
12:45 As God has always promised, man will know the Truth before the final days into judgment  
13:01 Paul literally formed the doctrines and set the rules for what we do this day  
19:07 When Zionism is Talmudism, it is a political party for One World Control  
21:15: You have long since forgotten even how to pray unto God  
22:06 Easter, a pagan holiday, a worshiping of many Gods  
23:39 God is not of force or coercion  
23:44 You will come into your knowledge, but will it be in time?  
24:32 God creates and you are His most wondrous creation, gifted with ability to reason and think  
27:30 God has prepared a place, to fill your needs from physical to spiritual and you cling to easter eggs

02:23 You are the Church of God  
02:40 LDS Church readings and questions  
03:42 The guides of the lower energy forms must refer to the higher knowing ones  
06:51 There is only one way to know if Hatonn brings Truth, and that is to test it  
07:29 Only you will decide if this is of God or the adversary  
07:56 Did Jesus die on the cross?  
11:12 How errors are transmitted  
16:14 If you contradict the doctrines of the church, it is going to be unacceptable  
19:06 God brings truth to all ones and He brings it at no requirement--none  
22:19 There are no angels who minister to this earth but those who do belong or have belonged to it  
24:36 If God would send unto one, He would send unto all  
24:42 In the ending there is only One; you again become one with God  
26:02 The only protection you have is to give unto God enough time to hear the truth against that day  
30:06 All you need is to come into balance and knowing within self, for every soul birthed knows  
30:36 At some point man comes into his knowingness of that which is right and that which is wrong  
31:59 The heart knows the truth of the Laws of God and Creation  
32:12 All other falls into doctrines of church groups  
32:42 To come into knowing requires responsibility of discernment

04:19 Study the doctrine of all churches  
05:21 Darkness will not stand in the presence of Light  
06:54 There is only one church; it is within thine heart  
08:12 The Mormon Church  
12:30 Tithing  
16:05 It is God that man must come into balance with  
22:43 Today we talk of a traitor as a Judas  
24:02 Judah Iscarioth remained the closest friend that the Master Teacher ever had  
24:18 It was not he who hanged himself, but Judas Iharioth  
27:34 Sin and error are transgressions against the Laws of God  
28:38 Experience, read and study it all and then allow Truth to find its way  
29:11 God will allow any man to do anything in the physical; it is a free-will planet  
29:33 God allows, God does not force, He does not coerce  
32:15 Tithing in monetary value is of man  
33:41 God requires no rituals which need be kept secret  
38:23 The Bible has been mistranslated on every subject  
39:34 Some of you came by way of Mars  
39:50 Most of the planets in the solar system have been inhabited at one time or another  
40:51 You are an energy form; you are not the body

28:24 Just because you pick up a voice in your ear or Ouija board, be careful  
30:29 Spirit may cling to body for a period of 3 days  
31:15 Many troubled spirits will not make it past the astral plane  
32:31 They have no ability to reason in earth-bound plane  
38:18 Do not judge your job by what another does

**TIME SUBJECT**

00:00 Who Is Your Enemy  
01:31 All Hatonn can do is offer that hand

06:01 What you may wish to call the parallel planet, is prepared  
06:51 Your enemy has worked since the beginning to hide himself from you  
08:21 Salvation comes from the energy called soul  
10:17 You can replicate the body--you cannot replicate the soul  
15:05 It is a time of getting your space cleared
